

# Barnard Way Play Area

YOUR PARK,  
YOUR IDEAS

Your new play area is coming soon...

Autumn  
2023

# Your new play area is coming soon...

we need your feedback

**In January 2023, Cannock Chase Council's Cabinet agreed to fund improvements to the Barnard Way play area in Cannock.**

The costs to deliver the improvements will be met from the Community Infrastructure Levy (CIL) funds from the Cannock East Ward of £88,000.

CIL Ward funding has come from significant housing developments over the last 5 years and Cannock East Ward Members have requested that the money be spent on the play area, which borders Barnard Way and Cannock Road in Cannock.

The Council will also use £8,750 donated by The Forest of Mercia Community Interest Company (CIC) for planting trees and shrubs.

The existing equipment on the Barnard Way play area was installed in 1991 and is not fully inclusive.

The refurbishments will include the provision of a new fully accessible and equipped play area.

The site improvements will also include tree planting, which will contribute to the Council's climate change agenda.

Work is anticipated to start in the summer with completion due autumn 2023.

We are now at the stage where we can share with you the site plan and design for the new park. We would like to get your feedback on the proposed plan and design prior to the development works starting by asking you to complete our short survey.
