Vulnerable Tenants Social Alarm Scheme

What is it?

The Vulnerable Tenants Social Alarm Scheme is a service that offers you peace of mind; If you need help, it is available at the touch of a button, 24 hours a day, 365 days a year. It makes it possible for people to retain their independence in their own home giving both the client and their families peace of mind that help is on hand should an emergency or problem occur at the touch of a button.

You may benefit from the scheme if you feel at risk in your home due to your age, disability or illness or if you are feeling vulnerable, perhaps because you've been a victim of crime or domestic abuse.

We can fit an alarm in any property as long as you have a working telephone line. The alarm unit is connected to your telephone and portable buttons or pendants are available to wear around you neck or wrist. These will work from anywhere in your home (or garden).

Eligibility Criteria

The service is available to tenants who live in any type of property provided they meet the following criteria:

- The tenant is an introductory or secure tenant of Cannock Chase Council and are either:
 - Aged 70 or over or;
 - Live in a property with disabled adaptations and are in need of those adaptations or;
- The tenant is in receipt of one or more of the following benefits:
 - Attendance Allowance
 - Disability Living Allowance
 - Severe Disablement Allowance
 - War Disablement Pension
 - Long Term Incapacity Benefit (note long term only)
 - Employment Support Allowance - Support Component only
 - Personal Independence Payment (PIP)

Who is involved?

Cannock Chase Council is working with Redditch Borough Council to provide a Social Alarm installation and monitoring service in the Cannock Chase area. All calls are answered by operators at Redditch BC who provide a 24/7 monitoring service.

Monitoring Centre Operators will speak to clients, assess a simulation and call nominated emergency contacts or request 999 emergency help where necessary.

How does it work?

The Social Alarm service works via an alarm unit that is connected to you phone line - there is no need for special wiring. By pressing a single button on the unit, or via a portable button worn around your neck or on your wrist, assistance is available any time, day or night. The button works anywhere within your home or garden using a powerful microphone to enable the call centre to hear you, even if you are in a different room. If you are unable to speak or in your garden, we will still be able to identify your name and address so somebody can be sent to your aid. We just ask that you test the system every month.

How can I get an alarm?

We offer a free home demonstration of the Social Alarm service and we can then explain the service in more detail and answer any questions that you may have.

If you would like to book a free demonstration:

- Fires
- Extreme temperatures
- Raised carbon monoxide levels
