Dear Birmingham 2022 Supporter

On behalf of the Commonwealth Games Federation (CGF), I was truly delighted to announce, just before Christmas, the selection of Birmingham as our Host City Partner for the 2022 Commonwealth Games.

It was very important to me to make the announcement at a school, enabling Birmingham's young people to be at the very start of this exciting chapter in Birmingham's proud history. The students and staff at Arena Academy in Perry Barr were the perfect hosts, celebrating the special moment with regional, national and international media.

What I did not get the chance to do at the school, however, was to meet and thank a whole host of people from across Birmingham and the West Midlands who have worked so hard over the course of the last year to bring the Commonwealth Games to Birmingham.

Therefore, on behalf of the CGF, Commonwealth Games England (CGE), the UK Government's Department for Digital, Culture, Media and Sport (DCMS), Birmingham City Council - particularly Leader, Cllr Ian Ward - and West Midlands Mayor, Andy Street, I would like to invite you to an evening reception to do just that: to say thank you.

I would be delighted if you would join me and the rest of the team, who are already hard at work in the initial weeks of planning the Games, for drinks and canapés from **6:30pm – 8:30pm on Thursday 22 February 2018 at The Foundry, Arena Birmingham**, which will itself be one of the competition venues for the Commonwealth Games in 2022. Please RSVP to CWG2022@birmingham.gov.uk by Friday 16 February 2018.

I look forward to meeting you and discussing the important work we will all be doing together as the exciting journey towards 2022 starts in earnest.

Yours sincerely,
