7. Questions for Cannock Chase District Council – submitted in advance

Question from Mrs. Haywood, local resident:

“Amendment to street trading policy:

The reason a Street Trading policy was introduced was to ensure that proper procedures were followed and everything properly regulated. More than anything else it was to ensure the Health and Safety of the Public. We are concerned that this has now been compromised as this amendment withdraws the policy from Council owned land.

- 1. Under this amendment what requirements have been removed from the Policy?*
- 2. How do you now ensure the necessary public protection safeguards?*
- 3. As the amendment applies to Council Land only is this creating a two tier system where some must conform to stronger regulation than others?*
- 4. Isn't it the role of the Council to ensure Public Health and Safety regardless of how much administration there is?"*

An officer will be in attendance to respond to this item.

8. Public Health presentation

Mike Calverley (Public Health) will provide a presentation on Public Health. Angela Schulp (District Lead Commissioner, Staffordshire County Council) will also be in attendance.

9. Mid Staffs NHS Foundation Trust - update

Deborah Neal, Head of Communications, Mid-Staffs NHS Foundation Trust, has provided the following update:-

“Our Directors have concluded that as the Trust continues to be going through the Trust Special Administration (TSA) process, it would not be appropriate for them to attend the Community Forums at this time. The Directors would like to assure local people that services at both Cannock Chase and Stafford Hospitals continue as usual and would encourage people to continue to use them as appropriate. If there are any questions on the day-to-day business of the hospitals, we would be very pleased to email you

answers/updates from the Directors.

The Trust Special Administrators' (TSA) Report was published in December 2013 and is now with the Secretary of State, who will announce his decision by 26 February.

If you have any questions around the TSA process and future of services, these would need to be addressed to the TSA.

The TSA can be contacted at: www.tsa-msft.org.uk/contact-us or for confidential matters at: TSApublic@MidStaffs.nhs.uk
