

School Road, Norton Canes, Cannock be refused as, having regard for the nature of the establishment, the detail provided in the application and the interests of the Council Tax payers, Members did not consider it was appropriate to support the application.

9. Proposed New Framework in respect of awards for Non-Domestic Rate Relief from 1 April 2012

The Local Taxation and Benefits Manager referred Members to Annex 4 of the report which outlined a new framework to be used to assess applications for Non-Domestic Rate Relief from 1 April 2012. The proposed framework achieved the necessary savings as agreed by Cabinet in March 2010, by reducing awards of relief proportionately across existing claimants.

The Local Taxation and Benefits Manager explained that should Members recommend that Cabinet adopt the proposed new framework it would enable Officers to provide renewal applicants notice of the reduction in rate relief for 2012.

RESOLVED:

That Cabinet be recommended to adopt the proposed framework, as set out in Annex 4 of the report, in respect of awards for Non-Domestic Rate Relief from 1 April 2012.
