**147. Application CH/11/0050, Proposed 15.4 metre high monopole with 3 antennas and associated equipment cabinets, Arvan House, Brookfield Drive, Cannock**

Following a site visit by Members of the Committee consideration was given to the Report of the Planning Services Manager (Enclosure 6.31 – 6.35 of the Official Minutes of the Council).

Prior to consideration of the application representations were made by Councillor J. Kraujalis (Parish Councillor).

The Planning Services Manager reported that the siting of the monopole had been moved away from the canopy of the Oak Tree to avoid any interference.

RESOLVED:

That the application be refused for the following reason:

The erection of the 15.4 metre high structure comprising a pillar with antennas in a prominent location near to the highway boundary would make it an obtrusive feature in the street scene detrimental to the visual amenity of the locality in general and the occupiers of the adjoining commercial premises in particular. Accordingly the development would be contrary to Policy B7 Telecommunications of the Cannock Chase Local Plan 1997.

(Members requested that Officers investigate whether the Oak Tree adjacent to the proposed siting

of the monopole would warrant a Tree Preservation Order).
