**AUDIT & GOVERNANCE COMMITTEE**  
**26 MARCH 2019**  
**INTERNAL AUDIT QUARTER 3 REPORT FOR 2018-19**

**1 Purpose of Report**

- 1.1 To present to the Audit & Governance Committee for information the Internal Audit Quarter 3 Report for 2018-19.

**2 Recommendation**

- 2.1 That the Committee notes the contents of the Internal Audit Report for Quarter 3 of 2018-19

**3 Key Issues and Reasons for Recommendation**

- 3.1 At the end of the quarter, seventeen audits had been completed at least to draft report stage and a further three audits were in progress. No Limited or No Assurance Audits have been issued in the quarter.

**4 Relationship to Corporate Priorities**

- 4.1 The system of internal control is a key element of the Council's corporate governance arrangements, which cuts across all corporate priorities.

**5 Report Detail**

- 5.1 The report is a snapshot view of the areas at the time that they were reviewed and does not necessarily reflect the actions that have been or are being taken by managers to address the weaknesses identified. The inclusion or comment on any area or function in this report does not indicate that the matters are being escalated to Members for further action. Internal Audit routinely follow-up the recommendations that have been made and will bring to the attention of the committee any relevant areas where significant weaknesses have not been addressed by managers.

5.2 Appendix 1 shows the performance of the section which whilst below target at the end of quarter is not of significant concern due to the amount of work-in-progress. When this is taken into account there are no major concerns in relation to the completion of the audit plan by the end of the year

5.3 The table below gives a summary of the level of assurance for each of the audits completed in the quarter. More detailed information on each of the reports issued is contained in Appendix 2.

Number of Audits	Assurance	Definition
1	<b>Substantial</b> ✓	All High (Red) and Medium (Amber) risks have appropriate controls in place and these controls are operating effectively. No action is required by management.
10	<b>Partial</b> ▲	One or more Medium (Amber) risks are lacking appropriate controls and/or controls are not operating effectively to manage the risks. The residual risk score for the affected Medium risks are 6 or below. Prompt action is required by management to address the weaknesses identified in accordance with the agreed action plan.
0	<b>Limited</b> !	One or more Medium (Amber) risks are lacking appropriate controls and/or controls are not operating effectively to manage the risks. The residual risk score for the affected Medium risks are 9 or higher. Prompt action is required by management to address the weaknesses identified in accordance with the agreed action plan.
0	<b>No Assurance</b> ✘	One or more High (Red) risks are lacking appropriate controls and/or controls are not operating effectively to manage the risks. Immediate action is required by management to address the weaknesses identified in accordance with the agreed action plan.

5.4 Appendix 3 lists the audits that were in progress but had not been completed to draft report stage by the end of the quarter.

5.5 Appendix 4 contains the details of the follow-up audits issued in the quarter. Four follow-up reports have been issued in Quarter 3 some progress had been made in relation to two areas but not sufficient for a revised assurance to be issued. The other 2 audits had made sufficient progress for the assurance level to be reclassified as Substantial.

**Cumulative Performance Information at the end of the Quarter**

	Planned Audits	Actual Audits			
		Complete	% Of Completed	Work In Progress	% WIP & Complete
<b>Audit Plan</b>	19	17	89%	3	105%
<b>Commentary</b>	The Section is slightly below target in relation to the completed audits for the quarter. However when taking into account the work in progress this improves the situation. At the start of the year the team was carrying a vacancy and there has been a higher level of sickness than anticipated in quarter 3. It is forecast that the majority of the planned Audit work will be completed by the end of the year.
