5.2 The Rate Relief Committee, at its meeting held on 27 January 2010, considered a report on National Non-Domestic Rates - rate relief applications for the financial year commencing 1 April 2010. The Committee noted the action of the Head of Financial Management in awarding mandatory relief. The Committee then considered a consolidated list of applications from all those organisations requesting annual renewal of their Mandatory and/or Discretionary Charitable Relief for the financial year 2010/11. The Committee noted each of the renewal requests and determined whether or not to grant discretionary relief in line with the percentage relief granted at the beginning of or during the previous year. New applications were then considered separately on their merits.

5.3 **Community Amateur Sports Clubs (CASCs)**

5.3.1 Legislative provision has been made with regard to sports clubs that came into force with effect from 1 April 2004. This provision grants mandatory rate relief to any sports club that has registered with the Inland Revenue as a Community Amateur Sports Club (CASC). Billing authorities can also grant top-up discretionary relief thus effectively granting CASCs the same rights to business rate relief as registered charities. This relief will operate alongside the current discretionary scheme and therefore any sports club that has not registered with the Inland Revenue will continue to be eligible for discretionary relief as previously granted.

5.3.2 All sports clubs in the Cannock Chase District wishing to renew their relief for 2010/11 have been asked to confirm whether or not they are now registered as CASCs.

5.4 **Small Business Rate Relief**

5.4.1 The Small Business Rate Relief Scheme (SBRR) is a rate relief available to business ratepayers from April 2005. The scheme is aimed at helping small businesses that occupy properties with a rateable value of under £18,000. The level of relief granted will vary depending on the rateable value of the property. Organisations that qualify for mandatory relief are excluded for the small business rate relief scheme. However, discretionary rate relief can be granted to organisations in receipt of SBRR.

5.5 **Framework of Criteria**

5.5.1 A framework of criteria for assessing eligibility for Discretionary relief was agreed by the Financial Sub-Committee on 9 February 1990. Details of the framework and a simplified précis, which Members might find useful, are attached to this report at **Annex 1** (pages 3 to 6).

5.5.2 Members may also wish to bear in mind the following points when considering applications for relief:-

- (a) in general, any reduction in the cost of administering a charity releases more funds to further the objects for which it exists, and
- (b) careful consideration should be given to bona fide cases for relief, taking into account the contribution which the organisation makes to the amenities of the area and
- (c) consideration should be given to the financial benefits of granting relief from rates as an offset against any annual assistance of grants given to clubs and organisations. In general, the cost to the Council taxpayer of granting rate relief may be less than cash grants.

Section 2

6. Details of Matters to be Considered

- 6.1 **Annex 2** attached to this report contains 1 late renewal from Computers 4 Africa for Mandatory Relief for the financial year 2010/11.
- 6.2 **Annex 3** attached to this report details 1 new application from International Aid Trust for Mandatory and Discretionary Relief for the financial year 2010/11.
- 6.3 **Annex 4** attached to this report details 1 new application from Housing 21 for Mandatory Relief for the financial year 2010/11.
- 6.4 **Annex 5** attached to this report details 1 new application from Addaction for Mandatory Relief for the financial years 2009/10 and 2010/11.
- 6.5 Members are reminded that each application should be considered on its merits, particularly as the Committee has previously agreed to inform applicants, who are refused relief, of the reasons for that refusal.
- 6.6 Members should also note that, from 1 April 1997, regulations provide that Local Authorities may reach a decision to grant discretionary relief for a limited time after the end of a particular financial year. This means that applications for discretionary relief for 2009/10 may be considered up to the end of September 2010.

Section 3

7. Contribution to CHASE

There are no identified implications arising from this report.

Section 4

8. Financial Implications

8.1 **Mandatory and Discretionary Charitable Relief**

8.1.1 The full cost of mandatory relief to charities under Section 43 or 45 is borne by the Non-Domestic rate pool. Where an authority exercises its discretion and grants relief at a higher level than the 80% mandatory level, the amount of relief that would have been allowed under Section 43 and 45 will be offset against payments into the pool, together with 25% of the additional relief granted. Council Taxpayers meet the remaining 75% of the additional discretionary relief. Therefore, if 100% relief is granted to a charity, 85% of the cost is met by the Non-Domestic rate pool and 15% locally.

8.1.2 Where discretionary relief is granted to a non-profit making organisation, 75% of the cost is met by the Non-Domestic rate pool and 25% locally by Council Taxpayers.

8.2 **Budgeted Relief for 2010/11**

8.2.1 For 2010/11, an amount of £21,720.00 is included in the General Fund Budget to meet the Council's costs of discretionary relief granted. This amount is to cover renewals and new applications submitted to this meeting and any new applications for charitable, rural or hardship relief that might be submitted during the year. Following the Rate Relief Committees on 27 January 2010 and 6 July 2010 a total of £19,479.30 has been awarded in relief from the 2010/11 budget; currently, there remains £2,240.70 in the budget to meet further costs.

8.2.2 As an indication for Members, the table below sets out an example of the cost to the Council if discretionary relief is granted for 2010/11 in respect of the new application included in **Annex 3**. Members should note that these amounts are in line with current awards of discretionary relief for other similar organisations.

8.3 The cost to the Council if discretionary relief is granted as follows would be:-

<u>Application</u>	<u>Relief</u>	<u>Year</u>	<u>Cost to the Council</u> £
<u>Annex 2: (Late Renewal for 2010/11 – Mandatory Relief Only)</u>			
Computers 4 Africa (101123802)	MAND ONLY	2010/11	0.00
<u>Annex 3: (New Application for 2010/11 – Mand & Disc Relief)</u>			
International Aid Trust (101136349)	7% top-up relief	2010/11	62.50
<u>Annex 4: (New Application for 2010/11 – Mandatory Relief Only)</u>			
Housing 21 (101132848)	MAND ONLY	2010/11	0.00
<u>Annex 5: (New Application for 2009/10 & 2010/11 – Mandatory Relief Only)</u>			
Addaction (101127840)		2009/10	0.00
		2010/11	0.00
SUB TOTAL		2009/10	0.00
		2010/11	<u>62.50</u>
GRAND TOTAL			<u>62.50</u>
Less Budget Remaining			-2,240.70
Balance of Budget			<u>2,178.20</u>

- 8.4 Members will note that if the proposal is to approve the renewal together with the new application at 7% top-up discretionary relief, then the budget remaining of £2,240.70 would reduce by £62.50, leaving a balance of £2,178.20.
- 8.5 Members must consider that the remaining budget is the only provision in order to meet any further new or renewal applications received during the current financial year. There is no scope within existing approved budgets to meet any shortfall in rate relief.
- 8.6 Should Members agree to relief in excess of the approved Discretionary Rate Relief budget for 2010/11 then this report should be referred to Cabinet to allow compensating savings to be identified to enable the required Supplementary Estimate to be granted.
- 8.7 Should there be an excess of budget at the end of the financial year 2010/11 then this should be carried forward and added onto the budget for the new financial year 2011/12.
