

Rugeley Responses				
Proposed Chase Leisure Village Questionnaire				

Respond	Were the displays informative?	Of the three proposed design options which was your preferred choice	Are any facilities not currently in the proposed options that you would like to see included	Which of the following facilities do you currently use	Are you likely to use the new facilities proposed for the new Chase Leisure Village?	Your Postcode	If you have attended the meeting as a representative of a group please state the name of your group or	We welcome your comments on today's consultation
1	yes	B	Gallery/exhibition space is greatly needed and requested by the local community	Prince of Wales Museum of Cannock Chase, Chase Leisure Centre, Rugeley Leisure Centre	yes	WS12 4EF		
2	yes	A		Museum of Cannock Chase, Chase Leisure Centre, Cannock Sports Stadium		WS15 2QW		Option A gives prominence to facilities over the Civic Offices. Has consideration been given to Car Parking beneath Civic Building for office workers etc? Public car parking is very distant from buildings. The very best in energy efficiency must be used throughout - windmills, solar panels.
3	yes	A	Art Sculpture. Animal Farm	Rugeley Leisure Centre	yes	WS15 2QX		
4	yes	A	Sauna, Jacuzzi proposed option	Rugeley Leisure Centre	yes	WS15 2AT		Very well laid out. Very self explanatory
5	Yes	No			Yes	No		I have always used chase leisure centre swimming pool the plans look good but the swim pool needs to be bigger not smaller, the kids do not have enough room to swim now without bumping into each other. It would be worse if the pool was made smaller
6	Yes			Museum and Prince of Wales		WS15 4RH		

Yes

Chase and Rugeley
Leisure

Yes

WS15 1LH
