

**CANNOCK CHASE COUNCIL**

**COUNCIL**

**25 MAY, 2011**

**REPORT OF THE CHIEF EXECUTIVE**

**ALLOCATION OF SEATS TO COMMITTEES AND OTHER BODIES**

**1. Purpose of Report**

- 1.1 Council is requested to determine the allocation of seats to different Political Groups duly constituted, to the Council's Committees and Other Bodies as a result of the elections held on 5 May, 2011, resulting in the election of 15 Ward Councillors.

**2. Recommendations**

- 2.1 That the allocation of seats to the different Political Groups to the Council's Committees and Other Bodies as set out in Annex 1 be approved, in order that the appointment of Chairmen, Vice-Chairmen and Members to Committees and Other Bodies can be subsequently considered later on the agenda of this meeting.

**3. Summary (including overview of relevant background)**

- 3.1 The Local Government and Housing Act, 1989 (and further regulations) require the Council to allocate seats to the political parties in accordance with the political balance rules. The Council has previously determined that the size of the Council's Committees is fixed at the start of the Municipal year and remains fixed for that year. In the event of any changes to party membership or a vacancy occurring during the course of the year, the size of Committees would not change; the only change would be the allocation of seats to political parties in accordance with the political balance rules.
- 3.2 Council is required to consider the allocation of seats to the different political groups in relation to the Council's Committees and other bodies, so as to give effect to and reflect, so far as reasonably practicable, the political balance of the Members of the Council.
- 3.3 Elsewhere on the agenda of this meeting, Council will be asked to consider and confirm the appointment of Chairmen, Vice-Chairmen and Members to Committees as proposed by each of the Group Leaders in accordance with a political balance calculation that was drafted following the elections and which has previously been circulated to them.

**4. Key Issues and Implications**

- 4.1 Council is required to confirm the allocation of seats to the different political groups in order that the appointment of Chairmen, Vice-Chairmen and Members to Committees and Other Bodies can be subsequently considered on the agenda of the Annual Council meeting.

**5. Conclusions and Reason(s) for Recommendation(s)**

- 5.1 The Local Government and Housing Act, 1989 (and further regulations) require the Council to allocate seats to the political parties in accordance with the political balance rules. The Council has previously determined that the size of the Council's Committees is fixed at the start of the Municipal year and remains fixed for that year. In the event of any changes to party membership or a vacancy occurring during the course of the year, the size of Committees would not change. The only change would be the allocation of seats to political parties in accordance with the political balance rules.

**6. Other Options Considered**

- 6.1 No other options have been considered.

Section 15(4) and (5) of the Act places a further duty upon the Council, in performing its obligations under subsection (3) above, to determine the allocation to different political groups of seats on Cabinet, Committees, Select Committees and Other Bodies, so as to give effect, so far as reasonably practicable, to the following principles:

- (a) that not all the seats are allocated to the same political group;
- (b) that the majority of the seats are allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
- (c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of the Council which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of the Council as is borne by the number of members of that group to the membership of the Council; and
- (d) subject to paragraphs (a) to (c) above, that the number of the seats which are allocated to each political group bears the same proportion to the number of all the seats on Cabinet, Committees, Select Committees and Other Bodies as is borne by the number of members of that group to the membership of the Council.
