<p>To secure Green Flag accreditation for Hednesford Park</p> <p>An application was submitted for Hednesford Park although considerable work was still being undertaken as part of the HLF project. Unfortunately, the Council were notified in that it has not been successful this year in attaining this accreditation for Hednesford Park, primarily because there are still works to be completed.</p> <p>An application will be submitted for 2017-18.</p>					
<p>Explore delivery options for a new cemetery site</p> <p>Detailed capital costs and revenue costs have been ascertained for the development of the site as a new cemetery and informal discussions held with potential development partners. A report is on track for Cabinet in August 2016.</p> <p>Report was considered by Cabinet in August as scheduled. Cabinet's decision to explore options with the private sector was subject to a "Call In" which is due to be held on 3rd October</p>					
<p>Environmental Improvements Programme: Proactive approach to identify areas for improvement through multi-service approach.</p> <p>A number of environmental improvements have been identified within town centres and costings being prepared.</p> <p>Improvements are being prioritised against each other and in line with the current financial position in order to ensure the Council maximises the impact of the town centre improvements. For example: in discussion with County Council around block paving works to various town centre areas.</p>	Improved physical environment
