Dear Councillor Spicer

Re: Town Centre Regeneration Policy Development Committee – Rugeley Public Realm

Thank you for your letter dated 28 July.

I am quite happy to attend a meeting if it can be arranged, but prior to this meeting could you please tell me what the District Council's intention is in terms of rate reductions for those businesses that do pay rates? With regards to car parking charges, which was of grave concern to the Rugeley Traders, does the District Council intend to stop or reduce car parking charges?

Yours sincerely

Mr Mark Winnington
