

CANNOCK CHASE

LOCAL PARTNERSHIP PLAN

Part 2 – Increased Community Safety

2015/16

Introduction

This is the partnership delivery plan for the Cannock Chase Partnership Board for 2015/16.

The Partnership consists of the following bodies:

- Cannock Chase Clinical Commissioning Group
- Chamber of Commerce
- Staffordshire Police
- Staffordshire Fire & Rescue Services
- Cannock Chase District Council
- Staffordshire County Council
- West Midlands & Staffordshire Probation Service
- Parish Council Association
- Support Staffordshire Cannock Chase
- VAST (Voluntary Action, Stoke on Trent)
- Staffordshire Public Health?

The overarching priority outcomes for the Partnership are as follows:

- Increased Economic Prosperity – more jobs & better skills, training and education.
- Increased Community safety – more people feel safer.
- Improved Health and Wellbeing – better health status & healthier lifestyles.

The specific priorities for 2015/16 across these priority outcomes are:

1. Economic Prosperity:

- a) Reduced youth unemployment (18-24 years)
- b) Increased number of businesses that start, survive and grow
- c) Improved qualifications and skills in school leavers

2. Community Safety:

- a) Assured and safe communities
- b) Reduced offending behaviour and anti- social behaviour

3. Health and Wellbeing: (Agreed by the H&W LCP 2014 and included in the commissioning prospectus, Dec 2014.)

- a) Increased participation in physical activity of children and adults
- b) Improved healthy dietary behaviours
- c) Improved lives of individuals, families and communities affected by alcohol
- d) Improved wellbeing and quality of life through self-care and prevention

The Locality Partnership Plan description has been used rather than the Locality Commissioning Plan as the included activities are not confined to commissioning only.

2. Community Safety

Outcome 1	Baseline/s	Target/s
Assured and safer communities	<p>98% of people who feel safe in their local area during the day (Feeling the Difference survey waves 10-13, January 2012, previously 98% at waves 8-11, March 2011)</p> <p>70% of people who feel safe in their local area after dark (FTD waves 10-13, January 2012, previously 70% at waves 8-11, March 2011)</p>	<p>Maintain 98% who feel safe in their local area during the day</p> <p>Maintain 81% of people who feel safe in their local area after dark</p>

LSP Objective	Activity	Resources	Lead Officer/s	Timescale and milestones	Baseline	Target
