I 100% accept that I have done very wrong, but to save further expense I would like to inform you that I have found somebody who is going to take over the lease. So I would have absolutely nothing to do with shop, Any of the running of the shop in any way, shape or form. The only set back is that they do not return from abroad until I think the 2013. If this reason is not good enough for there not to be a hearing, I will attend on the 20.11.2013.

yours faithfully.
