**AUDIT & GOVERNANCE COMMITTEE  
3 DECEMBER 2019  
ANNUAL GOVERNANCE STATEMENT – PROGRESS REPORT**

**1 Purpose of Report**

- 1.1 To present to the Audit & Governance Committee for information progress in addressing the significant governance issues identified in the Annual Governance Statement for 2018-19.

**2 Recommendations**

- 2.1 That the Committee notes the contents of the progress report on the Annual Governance Statement for 2018-19.

**3 Key Issues and Reasons for Recommendation**

- 3.1 Not all of the actions are yet due for completion, however a summary of the progress made against each of the significant governance issues as at 30 September 2019 is given at Appendix 1.
- 3.2 For the 9 significant governance issues identified in the AGS progress can be summarised as follows:
- 4 - Significant progress is being made to deliver the action or has been completed (status shown as green tick Appendix 1);
  - 3 - Some progress is being made to deliver the action (status shown as amber triangle on Appendix 1);
  - 2 - No action has yet been taken (status shown as red cross on Appendix 1).

**4 Relationship to Corporate Priorities**

4.1 This report supports the delivery of all of the Council's Corporate Priorities.

**5 Report Detail**

5.1 The Council has a statutory responsibility to undertake an annual review of the effectiveness of its governance arrangements, which includes the system of internal control and to publish an "annual governance statement" with the annual accounts.

5.2 In reviewing the effectiveness of the governance arrangements, the Council has to identify any 'significant governance issues' and what action will be taken to address these. There is no single definition as to what constitutes a 'significant governance issue' and judgement has to be exercised. Factors used in making such judgements include:-

- the issue has seriously prejudiced or prevented achievement of a principal objective;
- the issue has resulted in a need to seek additional funding to allow it to be resolved, or has resulted in significant diversion of resources from another service area;
- the issue has led to a material impact on the accounts;
- the Chief Internal Auditor has reported on it as significant, for this purpose, in the Internal Audit Annual Report;
- the issue, or its impact, has attracted significant public interest or has seriously damaged the reputation of the Council;
- the issue has resulted in formal action being taken by the Chief Financial Officer and/or the Monitoring Officer.

5.3 The Annual Governance Statement (AGS) for 2018-19 was approved by the Audit & Governance Committee on 25 June 2019.

5.4 It was agreed that the Audit & Governance Committee would receive monitoring reports on progress in addressing the significant governance issues identified in the AGS, and this is the half-yearly progress report.

5.5 Details of the progress made against each of the significant governance issues as at 30 September 2019 is given at Appendix 1 and overall performance is summarised in the table at 3.2.

5.6 Progress at the mid-year stage is as expected with work in progress or completed on 7 of the 9 issues. There are however 2 issues where there has been no progress yet and the work has been rescheduled to the new year.

| 4   | <p><b>Financial Stability</b></p> <p>The Approved Budget and Plan currently provides an ongoing balanced budget. This is based upon the current Local government Finance Regime, however fundamental changes to Government Funding, details still to be determined, are set to take place in 2020/21 which combined with the ongoing uncertainty in relation to the longevity of the New Homes Bonus grant scheme creates a key strategic risk for the financial stability of this and all other councils. Actions planned include:</p> <ul style="list-style-type: none"> <li>• Robust Medium Term financial strategy to continue to take a pro-active approach to mitigate the effects of further financial reductions.</li> <li>• Increase level of reserves to manage potential risks.</li> <li>• Undertake a range of service reviews to identify savings and growth options.</li> <li>• Continue careful management of all Council's budgets and assets to maximise their impact.</li> </ul> | <p>Ongoing</p> <p>Managing Director and Head of Finance</p> | <p>Although the changes to the Local Government Finance Regime have been delayed until 2021-22 work the actions planned continue to be progressed.</p> <p>Monitoring of the design of the new system is undertaken on an ongoing basis, responses to consultations actioned as appropriate and Financial Plan submitted to Cabinet in November</p> |  |

| 5   | <p><b>Management capacity and delivery of the Council’s corporate priorities and statutory duties</b></p> <p>In order to ensure that there is adequate management and officer capacity to deliver the Council’s priorities in the period 2019 – 2023, it is planned to:</p> <ul style="list-style-type: none"> <li>• Ensure that all priorities in the Priority Delivery Plans are resourced appropriately.</li> <li>• Ensure that health and safety compliance across all services is maintained as a priority.</li> <li>• Through a programme of service reviews, realign resources with corporate priorities where necessary.</li> <li>• Leadership Team to maintain an overview of the performance of the organisation through ‘managing the business’ indicators to identify any capacity issues earlier and take appropriate remedial actions.</li> <li>• Additional projects / requests many need to be refused or deferred until following financial year.</li> <li>• Succession planning to anticipate retirements especially at senior manager level.</li> <li>• Identification of additional resources for project management/back filling</li> </ul> | <p>Ongoing<br/>Managing Director</p> | <p>The Council’s management capacity is being monitored closely and action has already been taken by not accepting new project requests in year in order to protect capacity to deliver the agreed PDP priorities. In some instances additional funding has been approved to bring in additional capacity eg to support the work on climate change arising from the Council motion.</p> <p>The majority of PDP priorities are on target but there are a number of Amber ‘not on target’ areas in part due to management capacity. PDP Priorities not on target are being reviewed by Leadership Team and resource implications are being re-considered. The Managing the Business Indicators continue to be monitored by Leadership Team and any areas of concern are being acted upon.</p> <p>The service review process has been established and a consultant appointed to support this work.</p> <p>Work has commenced on succession planning.</p> |  |
