Supporting Information:

Newlife Trading Ltd is a company limited by guarantee; it is a trading company which is part of the charitable organisation 'Birth Defects Foundation'.

The main objectives of the organisation are to fund medical research in order to understanding, prevent, alleviate and treat childhood disabilities and terminal illness in the UK; provide support to the families/carers of children affected and also provide equipment to help individual children.

The premises at Unit 3 Ranton Park, Martindale, Cannock, are used for the sale of donated goods. In addition they are used to provide a nurse and equipment service, medical research, campaigns and to raise awareness for physically and mentally impaired infants and children.

This is a national organisation and operates throughout England and Wales. Profits from the trading company are distributed via a gift aid payment.
