The revised Alcohol Strategy was approved by the LSP Strategic Board on the 14<sup>th</sup> December 2012. The action plan has been developed and includes the work that is being or will be delivered by the Council. Relevant work being undertaken by partners is also being included. Those actions that are the Council's responsibility are already being delivered in accordance with the action plan.

The District's first full size ATP at Cardinal Griffin Catholic High School was completed on 1<sup>st</sup> June 2012 with an official opening ceremony held on 1<sup>st</sup> July 2012. Following a number of trial public sessions in August the facility was fully opened to the community on Sunday 16<sup>th</sup> September 2012.

**Complete and handover Chase Leisure Centre:**

The new purpose built Dance Studio, Dry side changing rooms, Treatment rooms and café pod were completed and handed over in August. However, the completion of the swimming pool has been delayed and remedial works are underway to correct the problems and complete the project as soon as practicably possible.

**Deliver Community Games within the District:**

74 district wide programmes, events and activities contributed to the Community Games calendar. A successful event on March 24<sup>th</sup> launched the concept, inspired by the London Olympics/ Paralympics 2012.

The activities are currently being evaluated and a snapshot film, showcasing "Party in the Park" on 19<sup>th</sup> August 2012, which attracted over 5000 attendances throughout the day is being finalised. In addition, the Paralympic Flame Celebration on 25<sup>th</sup> August attracted circa 1500 visitors to the Town Centre, Cannock Park and Chase Leisure Centre.

This very successful scheme was led by the Council's PR& Marketing Team in partnership with WLCT's Community Wellbeing Team. The successful outcome of bringing together opportunities for cultural participation under one recognised brand for the public will be continued.
