The aim of the review was have one corporate approach for dealing with ASB and to bring in broader partnership working in relation to new powers and tools and diversionary activities.

- A Draft Corporate Anti Social Behaviour Policy was produced and it was noted that the implementation of the Policy had additional staffing resource implications. The Head of Service was going to consider on how to best to move this matter forward.
- The Locality Policing Review – was removed from the work programme as Members did not have the power to direct the work of the Police and there was also a lack of clarity about what the review wanted to achieve.
