COUNCIL
24 MAY 2017
REPRESENTATIVES ON OUTSIDE BODIES 2017-18

1 Purpose of Report

- 1.1 To consider the appointment of representatives to outside bodies for 2017-18 as set out in the schedule of nominations to be circulated at the Annual Council Meeting.
- 1.2 To confirm the Managing Director's authority to make appointments to any other outside bodies throughout the municipal year and amend as necessary, in accordance with the arrangements as set out in paragraph 3 of this report.

2 Recommendations

That:

- 2.1 Council determine the appointment of representatives to outside bodies for 2017-18.
- 2.2 The Managing Director, in consultation with the Political Group Leaders, makes additional appointments and amendments to any outside bodies, as necessary, throughout the municipal year.
- 2.3 In the event of the Political Group Leaders failing to agree on a nomination(s) to an outside body (as referred to in paragraph 2.2 above) the appointment will be a matter for determination by the Council.
- 2.4 Subject to paragraph 2.2 above, the Managing Director when appointing representatives to outside bodies be authorised to determine which of the appointments should be classed as an 'approved duty' for the purposes of claiming travelling and subsistence expenses.

3 Key Issues and Reasons for Recommendation

- 3.1 Each year the Council is required to appoint representatives to a number of outside bodies. A schedule of those bodies to which the Council appoints representatives together with nominations is usually circulated at the Annual Council Meeting.
- 3.2 For practical purposes, Council is also requested to delegate authority to the Managing Director to make appointments to any additional outside bodies, and amend as necessary, throughout the municipal year, on receiving nominations from the Political Group Leaders.
- 3.3 Should Council agree to delegating authority to the Managing Director to appoint representatives to outside bodies, then further delegated authority is sought for the Managing Director to determine those appointments that are to be classed as an 'approved duty' for the purposes of the nominated representative claiming travelling and subsistence expenses.

4 Relationship to Corporate Priorities

- 4.1 The Council, through its democratic process, contributes to the Council's Corporate Priorities and promotes community engagement through the appointment of representatives to outside bodies.

5 Report Detail

- 5.1 In September 2008, the Council amended as part of the Constitution the procedure for the receipt of nominations for outside bodies by the Political Group Leaders. In doing so, Group Leaders are required to submit their nominations to the Managing Director at least 48 hours prior to the commencement of the Annual Council Meeting. Following receipt of the nominations, no amendments shall be permitted. Therefore, a copy of the schedule, detailing the nominations received, will be circulated at the Annual Council Meeting.
- 5.2 For information, details of the number of meetings of outside bodies called during the preceding 12 month period, together with details of the attendance of those appointed to such bodies has been provided to each of the Political Group Leaders prior to them submitting their nominations. However, it should be noted that this information may not provide an accurate picture of attendance/representation because, for example, the body may have met only infrequently/has failed to meet at all during the period; or has not fed back details of attendance on request.
- 5.3 Determination of appointments to representatives on outside bodies is a matter for Council in the first instance. The Managing Director has consulted with Political Group Leaders to agree nominations. In the event that there should be failure to agree nomination(s) full Council will be required to determine the matter.

- 5.4 The recommendations also propose delegation to the Managing Director, in consultation with the Political Group Leaders, to make appointments to any additional outside bodies as may be required, and to the Managing Director to determine which should be classed as an approved duty.
- 5.5 Council is requested to consider the appointment of representatives to outside bodies for 2016-17 as set out in the schedule to be circulated at the Annual Council Meeting.

6 Implications

6.1 Financial

There are no direct financial implications arising from this report. Any costs which arise from appointments determined as an approved duty, and thereby subject to travel and subsistence claims, will have to be met from existing Members' budgets.

6.2 Legal

Unless otherwise specified by statute, Section 101 of the Local Government Act 1972 empowers the Council to arrange for the discharge of any of its functions by an officer of the Council.

The Local Government Act 1972, Section 101(1) provides that:

subject to any express provision contained in this act or any act passed after this Act, a local authority may arrange for the discharge of any of their functions –

(a) by a committee, a sub-committee or an officer of the authority..."

Council can therefore delegate the appointment of representatives on outside bodies to the Managing Director.

Should the appointment relate to executive functions, then the power to delegate the making of such appointments to the Managing Director rests with Cabinet in accordance with Section 14 of the Local Government Act, 2000.
