CABINET
25 JUNE, 2015
REPRESENTATIVES ON OUTSIDE BODIES 2015-16

1 Purpose of Report

- 1.1 To consider the appointment of representatives to outside bodies for 2015-16 as set out in the schedule attached at Appendix 1.
- 1.2 To confirm the Managing Director's authority, in consultation with the Leader of the Council, to make appointments to any additional outside bodies throughout the Municipal year.

2 Recommendations

- 2.1 That Cabinet determine the appointment of representatives to outside bodies for 2015-16.
- 2.2 That the Managing Director, in consultation with the Leader of the Council, be authorised to make appointments to any additional outside bodies, as necessary, throughout the Municipal year that would otherwise be determined by Cabinet.

3 Key Issues and Reasons for Recommendation

- 3.1 Each year Cabinet is required to appoint representatives to a number of outside bodies as detailed in the schedule at Appendix 1. This is normally done at the first Cabinet meeting following the Annual Council meeting.
- 3.2 For practical purposes, i.e. to avoid the need to report the matter to Cabinet on every occasion, Cabinet is also requested to confirm the Managing Director's authority, in consultation with the Leader of the Council, to make appointments to any additional outside bodies, as necessary, throughout the Municipal year.

4 Relationship to Corporate Priorities

- 4.1 Cabinet, through its democratic process, contributes to the Council's Corporate Priorities and promotes community engagement through the appointment of representatives to outside bodies.

5 Report Detail

- 5.1 Determination of appointments to representatives on certain outside bodies as detailed in Appendix 1 to this report is a matter for Cabinet in the first instance. This is normally done at the first Cabinet meeting following the Annual Council meeting. The Managing Director will consult with the Leader to make any appointments to any additional outside bodies as may be required, subject to 2.2 being agreed.

6 Implications**6.1 Financial**

There are no direct financial implications arising from this report. Any costs which arise from appointments determined as an approved duty, and thereby subject to travel and subsistence claims, will have to be met from existing Members' budgets.

6.2 Legal

Unless otherwise specified by statute, Section 101 of the Local Government Act 1972 empowers the Council to arrange for the discharge of any of its functions by an officer of the Council.

The Local Government Act 1972, Section 101(1) provides that:

subject to any express provision contained in this act or any act passed after this Act, a local authority may arrange for the discharge of any of their functions –

(a) by a committee, a sub-committee or an officer of the authority..."

Council can therefore delegate the appointment of representatives on outside bodies to the Managing Director.

Should the appointment relate to executive functions, then the power to delegate the making of such appointments to the Managing Director rests with Cabinet in accordance with Section 14 of the Local Government Act, 2000.
