

## APPENDIX E: Local List Nomination Form

### CANNOCK CHASE DISTRICT LOCAL LIST NOMINATION FORM

The Cannock Chase District Local List arises from a desire to recognise aspects of local heritage which are valued by the local community in contributing to the local distinctiveness, character and historic appearance of the area. It is an opportunity for local people to work with the Council to identify a variety of local heritage assets which may not meet the requirements for statutory protection yet are valued by the community and which they would like recognised in order to influence planning decisions.

Any building/feature will need to meet one or more of the following selection criteria in order to be considered for Local Listing:

#### Selection Criteria

1. Of local historic interest serving as a reminder of the social, economic, cultural or military history of the District including archaeological interest or a link to a local figure
2. Of architectural or landscape interest including innovative design, decoration, craftsmanship or plan form
3. Making a positive contribution to the local distinctiveness, character and appearance of the District, including the interest of any group of buildings of which it forms part, landmark value or contribution to local identity

In order to qualify for Local Listing the building/feature must not already be protected by statutory listing though it may be within a Conservation Area.

Nominations can be made via the form below. The evolving Local List will be published via the County Historic Environment Record and Council website. Owners/occupiers of affected properties will be advised in writing of the intention and implications.

The Council hopes owners will be pleased that their building has been recognised as an important part of the District's heritage. However, any challenge to adding a property to the Local List should be made in writing within 30 days of notification on grounds that the building fails to meet the selection criteria.

## Appendices

Name and address of building/feature	
Grid Reference	
Relevant selection criteria	
Statement of significance - why building/feature is noteworthy (in not more than 200 words).
