Comments

The Birth Defects Foundation have rationalised their occupation of properties in Cannock by moving into Units 1 and 2 Hemlock Business Park with effect from May 2002 and moving out of most of the others. However, they have more recently occupied additional premises at Unit 2 On-Line Business Centre, Bridgtown and Unit 3 The Retail Business Park, Hawkes Green.

Their application for Discretionary Relief for their occupation of Units 1 and 2 Hemlock Business Park was considered at the Grant Applications and Rate Relief Committee on 13 December 2002. However, as these are large premises, there were insufficient funds left in the Budget at that stage of the financial year to cover the cost to the Council of granting this relief. Their application has been resubmitted for consideration every subsequent financial year however, it has continually been refused on the grounds that it was inappropriate for one charity to receive such a disproportionate percentage of the overall budget.
