RESOLVED:

That the Minutes of the meeting held on 29 September 2011 be approved as a correct record.

13. National Non-Domestic Rates – Charitable Relief

Consideration was given to the Report of the Head of Financial Management (Enclosure 4.1 – 4.38 of the Official Minutes of the Council).

Councillor Alcott referred to the application for Discretionary Rate Relief from Staffordshire University Academy as detailed on Enclosure 4.33 of the report. He expressed concern that should Discretionary Relief granted this may set a precedent for similar Academy schools to apply for relief and the budget was not large enough to grant rate relief to all of them. The Local Taxation and Benefits Manager confirmed that Staffordshire University Academy qualified for 80% Mandatory Rate Relief. Members were being asked to consider the discretionary element and any relief granted would have a significant impact on the budget.

RESOLVED:

(A) That, subject to approval of the 2011/12/13 budget by Council, the action of the Head of Financial Management in awarding Mandatory Rate Relief as set out below be noted and that the amount of Discretionary Relief be awarded as follows:-
