Guidance on Declaring Personal, Pecuniary, and Disclosable Pecuniary Interests at Meetings

Definition of what is a Personal, Pecuniary and Disclosable Pecuniary Interest

A Personal Interest is one where your well-being or financial position, or those of a member of your family or any person with whom you have a close association would be affected to a greater extent than the majority of Council Tax payers, ratepayers, or inhabitants of the electoral ward(s) affected by the decision. You automatically have a personal interest if you have given notice in the Register of Members' Interests, e.g. if you are appointed to an outside body by the Council.

A Pecuniary Interest is a personal interest where the matter

- a) affects your financial position or that of a member of your family or any person with whom you have a close association or a body in which you have registered in the Register of Members Interests or
- b) relates to the determining of any consent, licence, permission, or registration in relation to you or any person with whom you have a close association or a body in which you have registered in the Register of Members Interests

and, in either case, where a member of the public knowing the facts would reasonably regard the interest as so significant it is likely to affect your judgement of the public interest

A Disclosable Pecuniary Interest is an interest of yourself or your partner (which means spouse or civil partner, a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners) in respect of employment, office, trade, profession or vocation carried out for profit or gain; sponsorship; contracts; land; licences; corporate tenancies; or securities, as defined with the Localism Act, 2011.

Please make it clear whether it is a Personal, Pecuniary or Disclosable Pecuniary Interest

It would be helpful if, prior to the commencement of the meeting, Members informed the Monitoring Officer of any declarations of interest, of which you are aware. This will help in the recording of the declarations in the Minutes of the meeting.

Declaring Interests at Full Council

The Code of Conduct requires that personal interests where you have a personal interest in any business of the Council, and where you are aware or ought reasonably to be aware of the existence of the personal interest, and you attend a meeting of the Council at which the business is considered, you must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

Some items will be mentioned in the papers for full Council but are not actually being considered by Full Council. In such circumstances the Monitoring Officer's advice to Members is that there is no need to declare an interest unless the particular matter is mentioned or discussed. As a general rule, Members only need to declare an interest at full Council in the following circumstances:

- Where a matter is before the Council for a decision and/or
- Where the matter in which the Member has an interest is specifically mentioned or discussed at the Council meeting.
