# AUDIT & GOVERNANCE COMMITTEE 3 DECEMBER 2019 INTERNAL AUDIT - QUARTER 1 & 2 REPORT FOR 2019-20

#### 1 Purpose of Report

1.1 To present to the Audit & Governance Committee for information the Internal Audit Quarter 1 & 2 Report for 2019-20.

#### 2 Recommendations

- 2.1 That the Committee notes the contents of the Internal Audit Report for Quarter 2 of 2019-20
- 2.2 That the Committee approves the IT Audit Plan set out in Appendix 5.

#### 3 Key Issues and Reasons for Recommendation

3.1 At the end of the quarter nine audits had been completed at least to draft report stage and a further six audits were in progress. One Limited had been issued in the quarter.

#### 4 Relationship to Corporate Priorities

4.1 The system of internal control is a key element of the Council's corporate governance arrangements which cuts across all corporate priorities.

#### 5 Report Detail

5.1 The report is a snapshot view of the areas at the time that they were reviewed and does not necessarily reflect the actions that have been or are being taken by managers to address the weaknesses identified. The inclusion or comment on any area or function in this report does not indicate that the matters are being escalated to Members for further action. Internal Audit routinely follow-up the recommendations that have been made and will bring to the attention

- of the committee any relevant areas where significant weaknesses have not been addressed by managers.
- 5.2 Appendix 1 shows the performance of the section which whilst below target at the end of quarter is not of significant concern due to the amount of work-in-progress. When this is taken into account there are no major concerns in relation to the completion of the audit plan by the end of the year
- 5.3 The table below gives a summary of the level of assurance for each of the audits completed in the quarter. More detailed information on each of the reports issued is contained in Appendix 2.

| Number of Audits | Assurance     | Definition   |
|------------------|---------------|--|
| 2                | Substantial < | All High (Red) and Medium (Amber) risks have appropriate controls in place and these controls are operating effectively.   |
|                  |               | No action is required by management.   |
| 5                | Partial       | One or more Medium (Amber) risks are lacking appropriate controls and/or controls are not operating effectively to mange the risks. The residual risk score for the affected Medium risks are 6 or below.  |
|                  |               | Prompt action is required by management to address the weaknesses identified in accordance with the agreed action plan.  |
| 1                | Limited       | One or more Medium (Amber) risks are lacking appropriate controls and/or controls are not operating effectively to mange the risks. The residual risk score for the affected Medium risks are 9 or higher. |
|                  | •             | Prompt action is required by management to address the weaknesses identified in accordance with the agreed action plan.  |
| 0                | No Assurance  | One or more High (Red) risks are lacking appropriate controls and/or controls are not operating effectively to mange the risks.  |
| U                | *             | Immediate action is required by management to address the weaknesses identified in accordance with the agreed action plan.   |
| 1                | N/A           | One piece of work was issued where it was not appropriate to issue an Assurance due to the narrow scope of the work – this was in relation to Pension Testing on behalf of Staffordshire County Council.   |

- 5.4 Appendix 3 lists the audits that were in progress but had not been completed to draft report stage by the end of the quarter.
- 5.5 Appendix 4 contains the details of the follow-up audits issued in the quarter. Three follow-up reports have been issued in Quarter 2 some progress had been made in relation to all 2 areas but not sufficient for a revised assurance to be issued a further two areas were able to be reclassified as Substantial Assurance.
- 5.6 Appendix 5 contains the proposed IT Audit Plan for 2019-20 which has been agreed following an IT Audit Needs Assessment exercise carried out by the Council's IT Audit Contractor.

## **Audit Performance**

## Breakdown of the Planned Delivery of the Audit Plan by Quarter

| Target Completion | Quarter % | No of Audits for Quarter | Cumulative<br>% | Cumulative Total Number of Audits |
|-------------------|-----------|--------------------------|-----------------|-----------------------------------|
| Quarter 1         | 11        | 3                        | 11              | 3                                 |
| Quarter 2         | 23        | 6                        | 35              | 9                                 |
| Quarter 3         | 23        | 6                        | 65              | 15                                |
| Quarter 4         | 42        | 11                       | 100             | 26                                |

#### **Cumulative Performance Information at the end of the Quarter**

|            |  | Actual Audits |                |                  |                  |  |  |  |  |  |
|------------|--|---------------|----------------|------------------|------------------|--|--|--|--|--|
|            | Planned Audits   | Complete      | % Of Completed | Work In Progress | % WIP & Complete |  |  |  |  |  |
| Audit Plan | 9  | 6             | 100            | 6                | 166%             |  |  |  |  |  |
| Commentary | We are currently on track to complete the Audit Plan by the end of the year. |               |                |                  |                  |  |  |  |  |  |

# **Audits Completed in Quarters 1 & 2**

| Audit  | Head of<br>Service                     | Status | Number of<br>High/Medium<br>Recommendations | Assurance | Comments & Key Issues  |
|--|--|--------|---|-----------|--|
| Housing<br>Application<br>(Northgate)          | Housing/<br>Technology <b>★</b>        | Draft  | 3   | Limited   | <ul> <li>The Limited Assurance is due to</li> <li>the lack of a post-implementation review means that the Council is not clear if the project has been successfully completed and the software is delivering its anticipated benefits.</li> <li>at the time of the audit there was a lack of a robust upgrade and patch-management process and that the software in use was 2 versions behind the latest release meaning security and other issues had not been resolved</li> <li>the external contractor who manages the upgrades/patches for the system had an inappropriately high level of access to the system potentially putting personal data at risk of loss or unauthorised disclosure.</li> </ul> |
| Housing Benefits<br>Overpayment<br>Team        | Finance                                | Final  | 1   | Partial   | The partial assurance is due to the lack of a current, comprehensive Debt Write-off procedure.   |
| Countryside<br>Management &<br>Rangers Service | Environment<br>& Healthy<br>Lifestyles | Draft  | 3   | Partial   | <ul> <li>The Partial Assurance is due to the following issues -</li> <li>The draft fire risk assessment for Hednesford Hills needs to be finalised and include consultation with the Fire Service</li> <li>There was a lack of appropriate records for damage to equipment/vehicles and lack of evidence of regular servicing of tools/equipment.</li> <li>Volunteer agreements could not be found for all volunteers.</li> </ul>  |

| Audit          | Head of<br>Service | Status | Number of<br>High/Medium<br>Recommendations | Assurance | Comments & Key Issues   |
|----------------|--------------------|--------|---|-----------|---|
| Mobile Devices | Technology⋆        | Final  | 6   | Partial   | <ul> <li>The Partial Assurance is due to the following issues -</li> <li>There was a lack of control over the disposal of physical media holding confidential data including infrequent destruction and a lack of inventory of the items held awaiting destruction. The Council also had not verified the contractor's security certifications to ensure they had independent accreditation.</li> <li>IT Policies on Mobile Devices need to be updated to reflect changes in usage including agile and responses need to be obtained from all users as currently only 21% of employees had acknowledged they would comply with the IT Policies.</li> <li>There was a lack of reconciliation by IT of mobile devices held by departments against the inventory to ensure items had not been lost of misplaced.</li> <li>Password complexity in line with the IT Security Policy had not been enforced on the network and exchange server.</li> </ul> |
| IT Strategy    | Technology⋆        | Final  | 2   | Partial   | The Partial Assurance is due to a need for improved engagement with Leadership Team in the understanding of the business needs of the Council when determining the IT Strategy. In addition greater oversight and monitoring of progress of actions to deliver the Strategy is required. The Strategy itself is in need of review to reflect changes in working practices such as the introduction of Agile working at Stafford BC and a move to use cloud based solutions such as Office365.   |

| Audit  | Head of<br>Service     | Status | Number of<br>High/Medium<br>Recommendations | Assurance   | Comments & Key Issues   |
|--|------------------------|--------|---|-------------|---|
| IT Project<br>Management                         | Technology⋆            | Final  | 6   | Partial     | <ul> <li>The Partial Assurance is due to:</li> <li>Failure to ensure all business cases for IT projects have appropriate approval to ensure the projects are appropriately scoped/defined, have clear anticipated objectives to deliver and align with business needs.</li> <li>Appropriate testing is not always carried out to ensure the projects have effectively delivered the agreed outcomes.</li> <li>Appropriate project oversight is not always established for the projects which may mean delays and other issues are not identified of addressed effectively.</li> </ul> |
| Town Centre<br>Management &<br>Development       | Economic<br>Prosperity | Final  | 0   | Substantial |   |

#### **IT Audit Plan**

Following an IT Needs assessment carried out by the Council's IT Audit Contractor it has been agreed that the following audits would be included in the IT Audit Plan for 2019-20. The IT Needs Assessment was carried out in consultation with the Head of Technology.

| Audit   | Description  | Number of Days |
|---|--|----------------|
| IT Disaster Recovery and Back up management                           | The purpose of the review is to provide assurance over the design and viability of the IT Disaster recovery planning arrangements, processes and underlying controls. This should be developed and owned by the IT Department. | 12             |
| IT Capacity Management & Resilience                                   | To provide assurance that Service availability, efficient management of resources, and optimisation of system performance through prediction of future performance and capacity requirements are maintained.                   | 14             |
| Critical Information Systems not supported by IT/Corporate Department | To identify the Councils' critical information systems to provide assurance over the risks associated with systems not managed Corporately.  | 14             |
