#### **Summary of Successes as at Quarter 2**

Quarter 2 has seen the completion of 2 projects ahead of schedule and one on schedule. The Rugeley ATP and the new Cannock Chase Cemetery were completed ahead of schedule and the 6 Green Flags were retained on schedule, although the announcement was embargoed until early October 21 following instructions from the judging committee.

#### **Summary of Slippage as at Quarter 2**

Unfortunately, quarter 2 has seen 5 projects slip behind schedule. The Open Spaces Strategy and Stadium Phase II have fallen behind mainly due to some delays with appointed external consultants and procurement. The Rugeley Swimming Pool refurbishment has fallen behind due to additional subsurface works being identified once the pool works had begun, with completion now scheduled for late Q3 / early Q4. The replacement of both the dry and poolside water boilers was completed ahead of schedule. Fortescue Lane and the CEMA play areas have fallen slightly behind schedule mainly due to national construction material and steel shortages and external contractor capacity.

### **Comments on Performance Significantly Below Target:**

The number of visits, memberships and uptake on GP referrals are below target due to the impact of the pandemic and national restrictions on the delivery of leisure activities.
