

Cannock Chase District Council

Planning Control Committee

26th May 2021

Officer Update Sheet

Point of Clarification

In the relevant planning history on page 6.104 the paragraph beginning “was subsequently approved..” is amended to read:

“ was subsequently approved by Planning Control Committee and issued on 11 October 2017 following completion of a Supplemental Agreement under Section 111 of the Local Government Act 1972 which required the completion of an Agreement under Section 106 of the Town and County Planning Act 1990 (as amended) when the applicant acquired the freehold in the application site from the Council. That Section 106 Agreement was completed on 29 June 2018.”

Paragraph 4.11 on item 6.111 should be amended so that the final word in the paragraph “permissions” is amended to “this subsequent permission”.
