No questions have been submitted in advance of the meeting, however, members of the public are invited to ask questions of the representative in attendance: Mark Keeling, Community Infrastructure Liaison Manager

#### **7. Mid Staffs NHS Foundation Trust – update**

Deborah Neal, Head of Communications, Mid-Staffs NHS Foundation Trust, has provided the following update:

‘The Trust Directors have concluded that, as the Trust continues to be going through the Trust Special Administration (TSA) process, it would not be appropriate for them to attend the Community Forums at this time. The Directors would like to assure local people that services at both Cannock Chase and Stafford Hospitals continue as usual and would encourage people to continue to use them as appropriate. If there are any questions on the day-to-day business of the hospitals, we would be very pleased to email you answers/updates from the Directors.

The TSA has been granted an extension of a maximum of 40 working days before submitting its final report to Monitor, who will then have a maximum of 20 working days to consider the report and lay it before Parliament. At that time the report will become a public document. The Secretary of State then has a maximum of 30 working days to announce his decision. Because these are all ‘maximum’ numbers of days permitted, we do not know when each stage will be reached.

If you have any questions around the TSA process and future of services, these would need to be addressed to the TSA.’

The TSA can be contacted at: [www.tsa-msft.org.uk/contact-us](http://www.tsa-msft.org.uk/contact-us) or for confidential matters at: [TSApublic@MidStaffs.nhs.uk](mailto:TSApublic@MidStaffs.nhs.uk)

#### **8. Forward Agenda for Future Meetings**

Members of the public are invited to raise items at this point on the agenda or to take away and complete and return the forms provided for this purpose. Submission of written questions in advance will ensure that appropriate representatives can be invited to attend meetings to debate the issues and answer any specific questions.
