Weekly Food Waste Collections are coming

From April 2026, all councils in England will collect food waste every week.

Your leftovers won't go to waste - they'll be turned into clean, renewable energy that powers homes and businesses while cutting harmful greenhouse gases.

We'll let you know when collections start, how to get your food waste bin, and what can go inside.

Follow us on social media for the latest updates.

Garden Waste Collections 2026

Last garden waste collection week commencing **24 November**. New service starts week commencing **12 January**.

You can renew your garden waste collection subscription from **12 November**.

Annual Fee
£40
per bin

For further information and to make your payment visit
www.cannockchasedc.gov.uk/brownbins

Have your electrical items lost their spark?

FREE kerbside collection for small electronic items.

- 1 Place your item in a carrier bag and tie it up
- 2 Place it next to any bin on your collection day

Not sure what we can take? Check our website for a full list of what can and can't be collected.

Don't Bin Batteries

Batteries and vapes must not be placed in household waste or recycling bins. They pose a high fire risk in collection vehicles.

You can take them to a local household waste & recycling centre or they can be recycled at most supermarkets.

Green Week 2

Bin lids must be closed | Collection times: **7am until 6pm**

Find out which items go in which bin: www.cannockchasedc.gov.uk/whichbin | www.cannockchasedc.gov.uk/wasteservices
