Dear Ms Whiteley

**CANNOCK WOOD NEIGHBOURHOOD PLAN- REGULATION 16 CONSULTATION.**

Thank you for the invitation to comment on the Submission Neighbourhood Plan.

Historic England is supportive of both the content of the document and the vision and objectives set out in it.

We are pleased to note that our suggestions in respect of heritage assets made at Regulation 14 stage have been taken account of. Our other comments on the Regulation 14 Plan remain entirely relevant, that is:

“We particularly commend the plans extremely sound historic environment evidence base and the thorough approach taken to identifying the distinctive local characteristics of the Parish through the Cannock Wood Character Assessment and the emphasis placed upon the conservation of local distinctiveness through good building design that is sustainable and informed by the Cannock Wood Design Guide. The protection afforded to locally significant buildings and landscape character including archaeological remains, green space and important views is equally to be applauded.

In conclusion, the Plan reads as a well-considered, concise and fit for purpose document that constitutes a very good example of a community led plan”.

Beyond those observations we have no further substantive comments to make.

I hope you find this advice helpful.

Yours sincerely,

P. Boland.
