14. Chairman's Charity Ball

Mike Worsnop, Leisure Operations Manger reported that the Chairman's Charity Ball had taken place on 15 March 2008 with a swing 'n' 60's theme. Feedback from the event had been positive and £2142.60 had been raised for the Chairman's chosen charities. The event had broken even and had therefore taken place at no cost to the Council. All those who had attended the event would be asked to complete a questionnaire in order to gain their views on how the event could be improved for next year.

Members expressed their views on the evening and stated that on the whole the evening had been successful. Members thanked Mike Worsnop and his team and the staff in the Chief Executive's office for their hard work in arranging the event.

The Chairman also expressed his thanks to Officers and thanked Members for their support and assistance in obtaining prizes and for attending the event. He considered 90% of attendees had enjoyed the evening and was pleased to note that the event had taken place at no cost the Council.

Members considered that the evening had been a success although it was noted that the food could have been of a higher quality. The Chairman stated that the food had cost less than in previous years and this had enabled the cost of the tickets to remain at the same

price as the previous year. There was plenty of food but there was a lack of quality. Members also raised the lack of timing of events during the evening and the Chairman considered that a coordinator should have been appointed to assist in this respect.

The Chairman then expressed his thanks to Members for their support throughout the year.
