

CANNOCK CHASE DISTRICT COUNCIL

General Pavement Licence Conditions

The licensee is responsible for the operation of the Pavement Café in accordance with the conditions attached to the Pavement Licence.

- 1) A copy of the licence must be kept on the premises at all times and be available for inspection by a police officer or other authorised officer.
- 2) All tables, chairs, etc. must be safe to use and removed from the highway by the end of the operating hours stated on the licence.
- 3) The licensee shall ensure that the pavement licence is operated in a safe and efficient manner ensuring that there is no safety risk, nuisance, or detriment to amenity caused to other users of the highway or nearby premises.
- 4) The licence holder pursuant to the licence, or any activity of other persons which is enabled by the licence, must not cause obstruction to the highway which has the effect specified in section 3(6) of the Business and Planning Act 2020.
- 5) The licensee is responsible for the conduct of patrons/customers within the pavement licence area. The pavement licence area must be supervised during its hours of operation.
- 6) Pavement licences must only be used by seated customers. Drinks shall not be served to people standing outside the boundary of the licence area and customers shall not be permitted to stand and drink within the said area or to take drinks outside of the area.
- 7) No amplified music or sound is allowed outside the premises. Licensees must adhere to any Council guidelines on noise levels.
- 8) The area occupied by the pavement licence must be washed down thoroughly at the end of every day, using a method sufficient to remove food debris and grease, including any staining from food and drink spillages.
- 9) The pavement licence area and surroundings must be kept free of litter and rubbish caused by patrons using the pavement licence area. Arrangements must be made to regularly check for and remove litter and rubbish on pedestrian footways, for a distance of up to 10 metres from the boundary of the pavement licence.
- 10) Pavement licence furniture must be removed at the instruction of the Council for the purpose of:
 - Works in or under or over the highway or for using it in connection with works in, under or over land adjacent to or adjoining it as may be required by, the Staffordshire County Council Highways Authority, the Council or any statutory undertaker;
 - Access required by emergency services;
 - Any other reasonable cause.
