

Barnard Way Feedback

Residents were asked for their feedback on the design proposals. Leaflets were dropped to houses surrounding Barnard Way, a press release was issued and the Council social media pages also promoted the survey. The survey opened on 22 June and closed on 17 July.

There were 27 responses to the survey. The feedback is set out below:

1) Do you like the new design for the play area

	Number	Percentage
Yes	17	63%
No	10	37%

2) Please share any comments you have on the design of the new play area?

Lovely/nice/love the design	5
Like how inclusive/accessible it is	3
What is there for older children?	2
There is a lot of space but you're only updating what is already there - park is small compared to all of the space	2
Lacking baby swings	2
Like the accessible roundabout	1
Off road parking	1
Hedgerows and sensory plants would be better than shrubs	1
Football/basketball cage	1
It will be ruined quickly, it is used as a hangout	1
Face abuse if you try to use the park - reported to council and Chase High School	1

Adult fitness equipment would be a much used addition given the health of locals	1
Needs to be bigger	1
Not very creative	1
Rarely see the springy things being used but swings always have a queue	1
First question should have a middle option - design is ok but is only suited for younger children	1
Seating would be beneficial	1
Enforcement regarding dog mess and loose dogs	1

3) Is there any equipment that you would like to see included in the design of the new park?

Exercise equipment	3
More swings	3
Something for smaller babies - like a sandpit	3
Football goals	3
Wheelchair accessible swing/inclusive swing not just a 'basket'	2
Floor trampoline	2
Off road parking	1
Monkey bars	1
Something for older children like a football/basketball cage. Not all children that live around them are under 10	1
Benches/seating	1
Something accessible for older children with additional needs	1
Nothing. Rip it out and leave it bare	1
Climbing frame for older children	1
Slides	1
Sensory activities	1
Bouncy bases - like Hednesford and designer outlet	1
Parent and child swing	1
A good lockable fence so teenagers can't destroy it	1
Zip wire	1
There is a good mix of equipment	1
Sound equipment for people with sensory needs	1
Is there an opportunity for a refreshment kiosk?	1
Older people use the park regardless so there needs to be something for them	1
Baby swings	1

Additional email comment:

"I have the understanding that a new play area is going to be built on the field to replace the old one.

This is not a problem however, could you please consider off road parking for the play area and for the dog walkers that come from all areas. As they are and have been making things very difficult for the residents already living in Barnard Way getting on and off drives. Double parking etc."
