

Application for permission to carry out work to a Cannock Chase Council property

Please complete this form if you intend to make any improvements or alterations to your home including fitting a satellite dish, building a shed, garage or conservatory, or constructing a footpath crossing or hard standing. Please attach **detailed plans and specifications** (fully describing the nature and scope of the work required) of the improvements you intend to make, and copies of any survey reports and permissions.

Before you start any work, you must get our written agreement first. We will only say no if there is a good reason- for instance if the proposed work would affect your neighbours or be unsafe.

The maintenance of improvements remains your responsibility.
