

## Statement of Intent for ECO4

### Cannock Chase Council ECO4 Flexible Eligibility Statement of Intent

**Publication Date: 08 February 2023**

**Version number: 1.0**

**Publication on web site:** [www.cannockchasedc.gov.uk](http://www.cannockchasedc.gov.uk)

This statement sets out Cannock Chase Council's flexible eligibility criteria for the Energy Company Obligation (ECO4) scheme from April 2022 – March 2026.

The ECO4 scheme focuses on supporting low income and vulnerable households. The scheme will improve the least energy efficient homes helping to meet the Government's fuel poverty and net zero commitments.

The flexible approach for Local Authorities (LAs) to identifying fuel poor and vulnerable households who may benefit from heating and energy saving measures is referred to as "ECO4 Flex".

The Council welcomes the introduction of the ECO4 Flex eligibility routes as it helps the Council achieve its plans to improve the homes of those in fuel poverty or vulnerable to the cold. The Council is publishing this Statement of Intent (Sol), on 08/02/2023 to confirm that each of the households declared will adhere to at least one of the four available routes outlined below:

**Route 1:** SAP\* bands D-G owner-occupied households and private rented sector E-G households with an income less than £31,000. This cap applies irrespective of the property size, composition, or region.

**Route 2:** SAP\* bands E-G for owner-occupied households and private rented sector households that meet a combination of two of the following proxies:

<p><b>Proxy 1)</b> Homes in England in Lower-layer Super Output Area 1-3 (LSOA)<sup>1</sup>, or homes in Welsh provision LSOA 1-3 on the Welsh Index of Multiple Deprivation 2019<sup>2</sup>, or the Index of Multiple Deprivation for 2020, published by the Scottish Government<sup>3</sup></p>
<p><b>Proxy 2)</b> Householders receiving a Council Tax reduction (based on low income only).</p>
<p><b>Proxy 3)</b> Householders vulnerable to living in a cold home as identified in the National Institute for Health and Care Excellence (NICE) Guidance. Only one from the list can be used, excludes the proxy 'low income'.</p>
<p><b>Proxy 4)</b> A householder receiving free school meals due to low-income.</p>
<p><b>Proxy 5)</b> A householder supported by a LA run scheme, that has been named and described by the LA as supporting low income and vulnerable households for the purposes of NICE Guideline.</p>
<p><b>Proxy 6)</b> A household referred to the LA for support by their energy supplier or Citizen's Advice or Citizen's Advice Scotland, because they have been identified as struggling to pay their electricity and gas bills.</p>

\* Note proxies 1 and 3 cannot be used together.

**Route 3:** SAP\* bands D-G owner-occupied households and private rented sector E-G households that have been identified by their doctor or GP as low-income and vulnerable, with an occupant whose health conditions may be impacted further by living in a cold home. These health conditions may be cardiovascular, respiratory, immunosuppressed, or limited mobility related.

This is because the Council has identified a positive correlation between households who suffer from long-term health conditions and living off a low-income, with living in poorly insulated homes.

**Route 4:** SAP\* band D-G owner-occupied households and private rented sector E-G households that are referred under Route 4: Bespoke Targeting. Suppliers and LAs can submit an application to BEIS where they have identified a low income and vulnerable household, who are not already eligible under the exiting routes.

\*SAP stands for 'Standard Assessment Procedure'. It is the official, government approved system for assessing the energy rating for a new home. SAP assessors must be accredited and registered with a certification body. The SAP score / band is used to determine the EPC rating from A - G

**Declaration and evidence check confirmation**

All potentially eligible households should apply through local charity Beat the Cold, or via an ECO 4 contractor to ensure that they can either benefit from the scheme or be assessed for eligibility under any other relevant programme. Households will be asked to give permission for their data to be shared as needed with the Council and contractors, in line with GDPR requirements. Beat the Cold can assist in the application process. Their contact details are: The Bridge Centre, Stoke on Trent, ST2 8DD FREEPHONE: 0800 3892258 or 01782 914915 <https://www.beatcold.org.uk>

**Name:** Jennifer Sheffield

**Job Title:** Senior Environmental Health Officer

**Telephone:** 01543 464202

**Email:** [ecoflex@cannockchasedc.gov.uk](mailto:ecoflex@cannockchasedc.gov.uk)

**CEO or dedicated responsible person mandatory signature**

Cannock Chase Council will administer the scheme according to BEIS' ECO4 Order and will identify eligible households via Ofgem's application process. The Head of Environment & Healthy Lifestyles of the Council will oversee the process of identifying eligible households under ECO4 Flex.

The eligibility information will be stored securely in line with the Council's data protection policy, Information Commissioner's Office Data Sharing Code, and BEIS guidance.
